Financial Policy

Thank you for choosing us as your dental health care provider. We are committed to your treatment being successful. As part of our services, we try to contain the ever-rising cost of health care. The following is a statement of our Financial Policy, which we require you to read and sign prior to any treatment.

FULL PAYMENT IS DUE AT THE TIME OF SERVICES RENDERED.
WE ACCEPT CASH, VISA, MASTERCARD, DISCOVER, AMERICAN EXPRESS, OR DEBIT CARDS

Regarding Insurance:
Dental insurance is a contract between you, your employer, and the insurance company. The extent of your coverage varies from company to company, and from plan to plan. **You are responsible for payment regardless of the insurance company's determination of usual and customary rates/fees.**

We will make every effort to assist you with your particular coverage. As a courtesy to our patients, we will prepare and submit your insurance claim. If your insurance has not been verified prior to your appointment, you may be required to pay in full.

If you have coverage with more than one company, we will prepare billing for one company. We will however, provide you with the necessary paperwork that you may submit to the secondary.

We will provide you with an estimate prior to treatment that will show anticipated insurance payment to us and the estimated patient share of every procedure. Patient share, including deductible will be due at the time of treatment. If our estimate results in overpayment from the insurance company, your account will be credited. If the insurance did not pay their expected portion of the estimate, the balance will be transferred to the patient.

MINOR PATIENTS:
The adult accompanying a minor is responsible for any patient share due at the time of treatment.

Thank you for understanding our Financial Policy. Please let us know if you have any questions or concerns.

I have read the Financial Policy. I understand and agree to this Financial Policy.
